Zimbabwe Domestic Biogas Programme

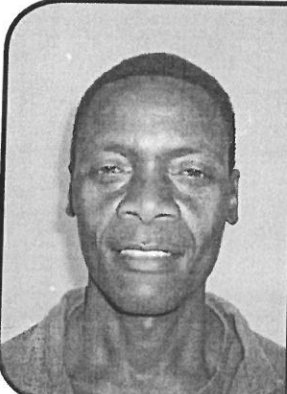

The Zimbabwe Domestic Biogas Programme is a multi-stakeholder initiative between the Ministry of Energy and Power Development, Ministry of Agriculture, Mechanisation and Irrigation Development, Rural Electrification Agency, Hivos and SNV to increase the uptake of biogas technology in Zimbabwe. The programme aims to establish a vibrant biogas sector that will benefit more than 67 000 households nationwide.

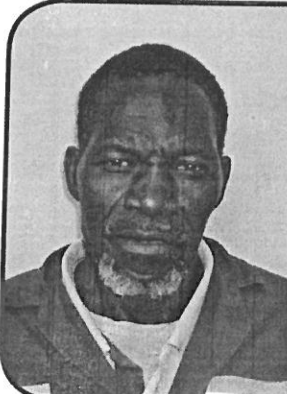

The Zimbabwe Mason's Directory seeks to connect the nation's households with trained masons in the pursuit of this goal.
